**Thomas Bus Donation**

Our organization spent 2018 improving our clubs for our members. Thomas Built Buses’ donation helped us update two of our Clubs and replaced worn equipment and program supplies. Their support allowed for significant upgrades at our David Hayworth swimming pool improving its safety and for the purchase of a new 72-passenger bus. Our staff received new training opportunities, program supplies and professional apparel. Our teens experienced new programs, supplies, equipment, and they participated in the Boys & Girls Clubs of America’s Keystone Conference for teen leaders. Approximately 80 volunteers invested hundreds of hours volunteering to make our Clubs safer and cleaner. This heightens the pride and ownership our children have in their Boys & Girls Clubs.
Our Formula for Impact starts with young people who need us most. In 2017-2018, Boys & Girls Club served 1,258 children and teens.

Our Members

- 76% African American
- 4% Caucasian
- 6% Multi-Ethnic
- 52% ages 6-9
- 34% ages 10-12
- 14% ages 13-18
- 1% Asian
